WINTER SUPPLEMENTAL

BRITTANY

The Brittany Collection adds a contemporary jolt of 70s geometries and textures to a sophisticated shape. Our skilled craftsmen wrap grasscloth seamlessly around corners and edges so the pattern is unbroken and continuous. The result is a luscious color and dramatic texture that feels custom and fresh.

H-BENCH

Our monumental classic, the H-Bench now comes in moss gray tweed and papyrus finishes. The simple, consistent line width creates an H shape. These broaden into chunky planes, which anchor a stable base and rise to create arm rests.

CHRISTINE

DESK
 WHITE: CRS-350-699
 48.5"W X 24"D X 31"H

The Christine Desk in blached lacquered parchment with bronze tracery speaks perfect 1930s French. The design features ideal proportions with convenient closed storage. It has in-demand vintage details like bronze sabots and tracery detailing. Lacquered for ease of upkeep. Bon chic.

COMFORT & ELEGANCE

Our new Devon Collection is a Deco take on French classicism. It features an impressive hand-carved beading around the top and sides, paired with tight upholstery, a loose seat cushion and decorative cone legs. Our comfortable mid-century Elba has been updated with wire-brushed limed Cape Lilac mahogany and woven linen upholstery.

COSMOPOLITAN

The Cosmopolitan collection blends post-mid-century geometric design with contemporary materials and colors. Linear pencil-striped grasscloth wraps around three planar sides of each piece. The side table, one of our narrowest pieces, adds flair to any small space.

DAKOTA

The Dakota collection features a new lacquered linen texture, sanded so that the fiber has been broken. The result is a marbled organic-looking surface shaped into a distinctive mod curve where the tabletop meets thick, sculptural legs. A chunky, flush, silver sabot pops the design with contrasts in materials, scale, texture and sheen.

MODRIAN

The Modrian's mirrored geometries celebrate jazz age modernism with dramatic, original details to super glamorous effect. The grid-based design is comprised of mirrored tiles that have hand-ground, eased edges. The piece sits on shiny, square, mirror-polished stainless steel legs and chrome feet, and is accented with chrome ball pulls.

GILDED GLAMOUR

Our new metal pieces add polish to any room. The Hayes bookshelf mixes beveled mirror and flat glass for a striking effect. The Belt collection features dynamic metal ribbons that change shape at every angle. The Magnolia inspires a modern profile with classic European and Arabic influences, while the Amur is home to an abstracted fish scale design that is geometric and ethereal.

ODEON

The Odeon collection has a nuanced Italian inter-war spirit. Embossed iron traces the edge of the delicate mirrored surface. The design is ennobled with the luxe glow of silver leaf verre églomisé, a heritage technique that gilds silver leaf onto the back of glass.
